Mr. Terence M. Lee

Dear Terry:

Attached is the Betty Beale article you spoke to me about. During our conversation I failed to tell you that we sent to Mr. McCone, via Mr. Bissell, a ring binder of press clippings dealing with his appointment together with some other papers Mr. Dulles thought Mr. McCone might have an opportunity to read during his trip. I believe a copy of the Betty Beale piece was included in the above-mentioned clips.

By the time you receive this [redacted]

should have been in touch with you regarding a clearance for [redacted]

Sincerely,
